Greetings!

I have been asked to pass along exciting news for those who would like to curl in late summer and early fall. The Chippewa Falls Summer Curling League is now open for registration. The league runs from August 12th - October 15th on Wednesdays, with two draws at 5:45 and 7:30 pm. This is a great opportunity to curl before our season begins, to experience arena curling, and to get out and meet some new people. More information and the link to register for this league is provided in this [PDF attachment](#).

I want to thank everyone who has completed the ECCC Membership Survey! Understanding the concerns of our membership surrounding the COVID-19 virus and the prospect of curling this fall and winter is paramount to the Board and the COVID-19 Task Force. Your input and suggestions are truly helpful and are all being considered in the development of plans for our coming season. As you know, this is a fluid situation that will require plans and policies that can evolve with the changing circumstances. If you have not already completed the survey, I encourage you to do so by following this link: <https://www.surveymonkey.com/r/RVHNF2T>.

A summary of the survey results will be posted in a few weeks. As we get closer to the fall, expect to hear more about how the Board and Task Force envision our upcoming curling season and the measures proposed to keep our membership as safe as possible while enjoying our beloved sport.

Have a happy and safe July 4th!
